

Festool Domino DF500

- The VIWG Festool Domino kit consists of a Festool Domino DF 500, extra Domino cutters, Cross stop and Trim stop and Systainer.

- If you have never used a Domino before, there are a lot of good Youtube videos. Also, Festool has some great videos. Here are four videos to get you going:
 - “Understanding the Festool Domino DF500, Demonstration and Overview”, Jon Peters, <https://youtu.be/LB-iGxDEimk>.
 - “Get to know the Festool Domino 500:

The Power Tool for Precise Wood Joining”, Ron Paulk, https://youtu.be/3nA_v8EP0u4.

- “Getting Started with the Festool Domino DF500 Joiner”, Festool USA, <https://youtu.be/sD20xrwuvJk>.
 - “The Top 4 Festool Domino Joints you need to Know”, Sedgetool, https://youtu.be/s6jyLk0bBqg?si=UFy_L3fr7PhHArUw
- The borrower is responsible for the purchase of dominos required. (A box is usually in the \$45.00 range.)
