

Visions in Wood – 2024 – Call for Show Ambassadors

Show Ambassadors are our greeters. They add to the experience of visitors and that adds value to our guild.

As a maker in Visions in Wood, if possible, we ask you to donate one shift as a Show Ambassador. The schedule is May 2 to May 26, 10am to 1pm and 1pm to 4pm each day.

You can view a video (we wanted to try something new) which gives you an orientation to make it easier for you to handle questions, sales of items, followup for membership inquiries and so on. As we move into the modern age our videos will improve!

Thank you for volunteering.

And as always, let us know if you have any questions or suggestions.
