*A business approach to determine the value of your work, time and creating a profitable business.*

This is the launch of a series of workshops the IAA will host this year. This presentation has been created by an Artisan for Artisans and will help develop and hone your business skills and understanding. Whether your woodworking is a hobby, part-time or it's your livelihood, you will find many benefits from this evening.

Everyone is welcome at this event so please bring your artisan friends. There is no cost to attend the workshop.

## **Jon Magwood Estate Sale**

As many of you will know, we lost one of our members, Jon Magwood on March 21st this year. VIWG members have been invited to a private Estate Sale of Jon's equipment and more on September 24th at 10:00 am. Address is 4270 Parkside Crescent in Gordon Head.

## **Workshop Saturday October 15th – Marquetry & Inlay with Geoff Vickers**

Please check the website for details and contact [Dany Coloume](#) for more information or to sign up.

## **NOTICE! THE VIWG OCTOBER MEETING WILL BE AT A DIFFERENT LOCATION**

The October 11th general meeting will be held at the Central Saanich Seniors Citizen Centre, 1229 Clarke Road in Brentwood Bay. This is next to the Brentwood Bay Library as is the home of the Island Woodturners Guild. We're holding the meeting here as we are going to have a wood burning demonstration and the woodturners have been kind enough to let us use their video equipment.

*Thanks,*

*I hope to see you all next week!*
