Many of our members are just starting out and are in need of good shop items, and most of our more experienced members could use good items too. There will be a live auction of a few items of particular interest to our members. **With this in mind please have a look in your shop or under your back stairs to see if you have any items that you are willing to donate to the Guild for the auction.**

Please send a list of your items, complete with a description (and a photo if possible) to:

Spring Challenge

Rick & Frank have worked on updating our Constitution. [VIWG Constitution Proposed Changes](#) - it will open a PDF of their proposal. This will be voted on at the AGM.

The changes are minimal but include:
