

# November 2018 Newsletter

## Next Meeting

The next meeting of the Vancouver Island Woodworkers Guild will be November 13th at Lee Valley Tools, Colwood starting at 7:15 pm. Come early and do some shopping!

Our presenter will be Michael Moore. He will talk about some of the aspects of running a successful furniture business. A demo will follow on the router table to show how to do super accurate mitre cutting.

## Port Townsend Tour

Over the November 3rd and 4th weekend, 10 Guild members travelled to Port Townsend to attend the 13th annual Woodworkers Show. This show is organized and presented by the Splinter Group, a loose-knit collective of Port Townsend woodworkers.

Our tour included visits to the Enensaw Lumberyard, Wooden Boat Workshops and the Wooden Boat Chandlery.

Thanks to Frank Letchford for doing all the organizing and getting us all down there and back without a single hitch! For more on the show click [here](#).

## Fall Challenge

Time is running very short for members to get started on those kitchen items to be displayed at the December Guild meeting. Remember that each maker will receive an entry into a draw for a Lee Valley gift certificate. Those makers that used wood from the Wood Recovery Program will receive an additional entry into the draw. It is definitely time to start making sawdust!

## **Do You Have Some Workshop Items You No Longer Use?**

If you have tools or jigs that are taking up valuable space in your workshop and

- you are no longer using them
- they are in good condition

Then bring them along to the Guild meeting and give them to Randy so they can be part of the evening raffle.

Regards

Neil Bosdet

President, VIWG
